THE VETO MESSAGF.

The President's veto of what is known as the Democratic Caucus bill, is a clear, comprehensive, pracwith a dangerous heresy. It is not of military force in elections. All ference whatever with elections, ex-cept in extreme cases, whether such "Colonel Harper * * can neither be bought nor scared".—[Vicksinterference comes from the regular | burg (Miss.) CREDENTIALS.

Our great and glorious Tribune has recovered somewhat from that settled state of melancholy which overtook it when we printed some time ago a few extracts from some Mississippi paper in regard to the orthodoxy of the Okolona States. It came out yesterday in a short paragraph introductory to a letter purporting to be from Kernan, addressed to Gen. J. S. Robeson. We are glad this happened, because we want to redeem a promise made to it. We said if it was not satisfied we would give a few more letters of recommendation. Here they are:

"The Northern howlers over the 'wild utterances' of the Okolona States are making asses of themselves-if they are not asses already made. They are not particularly disturbing Alf. Harper nor Kernan, his assistan', nor anybody else down this way but an inconsiderable number of dirt-daubers and dirt-eaters. The negro is done for as a property chattel, and they are not going to drive us out of the Union any more about the negro, with their ridicu-lous noise. We all take our stand with them who stand in the Union and by it, and will not give our free thoughts to propitiate the favor of a gang of fanatical sacred crocodile worshipers We are rather amused to hear their howls. Our friends up in the prairies will oblige us by poking up the Raditical statement of a sound constitu. | cal animais again. We have heard the wolves howl in the recesses of the tional doctrine, and a direct issue forests in the night time, when the owls answered and we listened and enjoyed. Poke 'em up and give us a roar, a proclamation in behalf of the use and listen for the dirt-eater amid the uproar. Who's afraid? Nobody but good men are opposed to any inter- make them roar too loud nor too long,

The Crystal Springs Monitor defends Okolona Harper against the suspicion of the Chicago Times, that he has been bought up by the Republicans. We concur in the beltef that he rifle clubs, bulldozers, or White is incapable of treason and deserves no censure for any insincerity or dis-bonesty. - [Holly Springs (Miss.)

We know both Col Harper and Mr. Kernan, and we are satisfied that ence with the indispensable exercise you might as well try to turn the Missippi River up stream as to bribe them of the powers of the Federal Gov- to write anything they don't believe to be true. Sir, the people are more thoroughly aroused to-day against this doctrine, this heresy of State rights, than they were 1857 to 1861. You be compared side by side with claimed that you were poor and suffering, and we found you poor and we killed for you the fatted calf, and invited you to the feast, supposing you, after being clothed, us that you are going to repeal all Republican measures. What is the job you have undertaken? You are going to undo all that the Republican party has done. Where do you begin? Do you begin at Appomattox, or before? Ayer's Sarsaparilla

Sores, Rheumatism, Neuralgia, Pain in the Bones, Side and Head, Female Weakness, Sterility, Leucorrhœa, arising from internal ulceration, and Uterine disease, Syphilitic and Mercurial diseases, Dropsy, Dyspepsia, Emaciation, General Debility, and for Purifying the Blood. This Sarsaparilla is a combination of

vegetable alteratives - Stillingia, Mandrake, Yellow Dock - with the Iodides of Potassium and Iron, and is the most efficacious medicine yet known the diseases it is intended to cure. Its ingredients are so skilfully com-

bined, that the full alterative effect of each is assured, and while it is so mild as to be harmless even to children, it is still so effectual as to purge out from the system those impurities and corruptions which develop into loathsome disease. The reputation it enjoys is derived from its cures, and the confidence which try repose in it, prove their experience

its usefulness. Certificates attesting its virtues have accumulated, and are constantly being received, and as many of these cases are publicly known, they furnish convincing evidence of the superiority of this Sarsaparilla over every other alterative medicine. So generally is its superi-ority to any other medicine known, that we need do no more than to assure the public that the best qualities it has ever possessed are strictly maintained.
